

Dreamlight Design's Business Partnership Agreement

How it works:

You agree to offer our clients an exclusive discount when referred by us, and to add our [link](#) to your website if you have one (we understand that individual companies in large franchises may be unable to do so). If you provide us with business cards or other marketing materials, you agree that they will be high-quality and that you will deliver the discount they promise without otherwise marking up your service to cover the discount.

We agree to provide your logo and website [link](#) (or contact information) on our *Partners* page, and to recommend you exclusively if our clients need your type of service. We will see that our clients receive your marketing materials with every consultation, so long as their Dreamlight Design discount is somehow reflected on the materials (hand-written is acceptable).

If for any reason you are ever unsatisfied, you may cancel this partnership agreement and we will promptly remove you from our Partner List and associated services. Likewise, if we find cause to discontinue this partnership, we may do so at any time, and will no longer be obligated to display your information on our site, recommend your services or to distribute your materials.

We have very high standards for service, value, and quality. We will only partner with businesses that hold the same high standards. We will check references of all potential partners with all available sources, including the BBB. If you have conducted or do conduct business in a less than reputable manner, we will terminate this Partnership immediately.
